From the producer:

Thank you for listening, and I hope you have a chance to call in a message for our new production(s), and pass this information along to as many other "kindred spirits" as possible. The more we get the better.

Feel free to contact me at pmessing@indiana.edu if you have any questions, or would like more information.

Thanks also to everyone at WFIU, through which we are developing the show.

Best Wishes,

Paul Messing

Producer, Kindred Spirits
