### Pet Information

Pet Name	Canine or Feline?	Breed	Color	Male or Female?	Age	Spayed/Neutered?	Vaccinated?

The amount of food distributed depends on the size and number of pets. Since the food we provide is based on donations, we cannot guarantee the brand or amount of food that will be given each time. Brands may vary each visit depending on available supply. Therefore, your pet(s) may experience an upset stomach due to the change in food. Food received from the Pet Food & Supply Pantry cannot be resold. Doing so will result in immediate termination. MCHA does not support the irresponsible breeding of pets. Households with multiple accidental litters will be terminated if the pets are not all spayed/neutered. Pet food and supplies are only distributed during Pet Food & Supply Pantry hours.

I, \_\_\_\_\_, agree to the above conditions. \_\_\_\_\_
