## Pet Food & Supply Pantry Application

Please list pets below.

Pet Name	Dog or Cat	Breed	Age	Spayed/ Neutered?	Rabies Vaccine?

Do you have more than 5 pets?  yes  no

Additional pets cannot be animals added to a client's account after enrollment, if animals are added there will be no additional Pantry benefits. Since the food we provide is based on donations, we cannot guarantee the brand or amount of food that will be given each time. Brands may vary from visit to visit; therefore, your pet(s) may experience stomach upset due to the change in food. Amount of food given may vary from visit to visit depending on available supply, amount of food is based on the number of approved Pantry patients in the client's account. Food, treats or supplies received from the MCHA Pet Food & Supply Pantry cannot be resold. Doing so will result in immediate termination from the program. The name on your Pantry application should match the name on your ID. ID's will be checked at every pick up. MCHA does not support irresponsible breeding of pets, households with multiple accidental litters will be dismissed from the program if the pets are not all spayed/neutered. Pantry distribution is available only during regular hours of operation. These times are subject to occasional change, please call ahead or visit our website at [www.monroehumane.org](http://www.monroehumane.org) to confirm current hours.

I have read and agree to the above conditions, signed, \_\_\_\_\_
