

27th Anniversary of the
Run for the Animals & Barktoberfest

Please join us to be part of the 27th annual Run for the Animals & Barktoberfest event, coming up on Sunday, October 2nd. The Run for the Animals is a timed 5K run/walk and event at Karst Farm Park, with all of the proceeds benefiting the programs and services of MCHA. Barktoberfest includes vendors, an off-leash dog play area and tons of other fun activities for both families and furry friends! This event is so important to the Monroe County Humane Association and our ability to provide so many programs and services that would otherwise not exist in our community.

MCHA believes in a more humane future for Monroe County pets by coordinating accessible veterinary care through the Nonprofit Veterinary Care, offering a free pet food and supply pantry, humane education, and coordinating a pet therapy program—many lives, human and animal alike, are touched by the work of MCHA. All this and more is only possible because of the generous support of our community! MCHA is a private 501c3 non-profit that receives no funding from national organizations or tax dollars.

Show your support of the important work provided by MCHA by becoming a sponsor of the 2022 Run for the Animals and Barktoberfest!

We welcome dozens of runners, walkers, and furry friends to the event! Don't miss one of the greatest opportunities to support animal welfare in our community.

Full event details can be found at our website www.monroehumane.org, including how to register to participate!
