MCHA Teams Up with Monroe Fire Station 24 to Offer Low-Cost Vaccine Clinic for Dogs and Cats

Bloomington, IN – Monroe County Humane Association (MCHA) is happy to announce its September event to help local cat and dog owners keep their animals safe and healthy.

On Sunday, September 1, 2024, MCHA and Monroe Fire Station 24 will host a pop-up mobile vaccine clinic located at 7606 E State Road 45, Unionville, IN 47408. MCHA’s veterinary team of volunteers and staff will be **available from 1-3 p.m. with no appointment needed; all are welcome!**

Mobile Clinics offer a range of services, including legally mandated rabies vaccines for pets aged 12 weeks (about 3 months) and older. Additionally, clinics provide nail trims, anal gland expressions, microchips, and preventive measures for flea, tick, and heartworm.

Subsidized rates are available to residents experiencing financial hardship. To qualify for these rates, residents should bring valid documentation with them to the Mobile Vaccine Clinic. Safety is paramount. Cats must be in carriers, and dogs must be leashed (no retractable leashes). It’s essential for pet owners to understand that pets showing signs of illness or aggression might be turned away.

Communities or organizations interested in hosting a wellness clinic are invited to reach out to Liz Austin, Outreach Coordinator, at eaustin@monroehumane.org. This is a wonderful opportunity to bring essential pet care services to your area.

Learn more about Mobile Vaccine Clinics, including future dates and locations, at monroehumane.org.
